# Tap and Learn

- For Alphabet, Letter and Number games
- Turn volume up to hear the target out loud
- Tap circle arrow button to hear the prompt again
- Correct answers gain a point
- Incorrect answers lose a point
- Points have no value

# Peg Game

- Start Game button randomly sets one peg as empty
- Tap a peg to select it
- Tap an adjoining empty peg hole to move the peg
- Must jump over a peg to remove it from board
- Goal is to end with just 1 peg
- Good luck, even the developer can only get to 2 usually
